

Make It Your Own and Keep It Current

Personalize learning for your students—rearrange content, add your own links and information, and upload resources. Easily reorder content to match your district’s scope and sequence.

- 1 Select **Edit** to:
 - Upload a file
 - Link to a website
 - Add a title
- 2
 - Leave a note for your students
 - Add more available content items
 - Drag and drop items to rearrange your lesson
