# Digital Path—Get Started on Pearson Realize™

Not sure how to access the digital resources for *my*Perspectives™?
Follow the path to learn how!

Digital Path	Click to Discover
Sign in to PearsonRealize.com. 	Click **Sign In**. Enter your username and password. Note the helpful resources on the Pearson Realize home page: • Getting Started • System Requirements • Contact Support My username is _____. (Store your password in a secure location.) Tech Support: 800-234-5832
Explore your **account**. OpenEd® is a registered trademark.	This is the Pearson Realize home page. Notice the icons in the upper-right corner. The **search** icon lets you search for program content and OpenEd® resources. OpenEd is an online resource library for K-12 teachers. The **question mark** icon provides access to these options: • **Training** (takes you to My Pearson Training, our one-stop website for program support and resources) • **Help** (with the Pearson Realize platform; includes What's New?, Release Notes, Realize Help, and Additional Support) The **person** icon provides access to these options: • **Settings** (including account information and available programs) • **Announcements** (including new features or updates to the program) • Option to **sign out** of the program

ALWAYS LEARNING
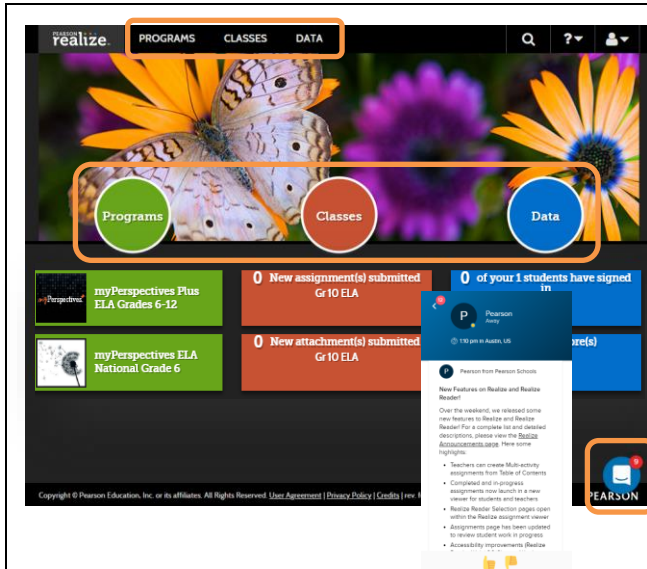

You may use the **circles** or the **tabs** at the top to navigate to the following options:

- **Programs** (to view all program resources)
- **Classes** (to add a class or students or to see assignments)
- **Data** (to view online assessment results)

The **messaging** icon on the bottom right provides program and/or platform messages and tips.

Explore **Programs**.
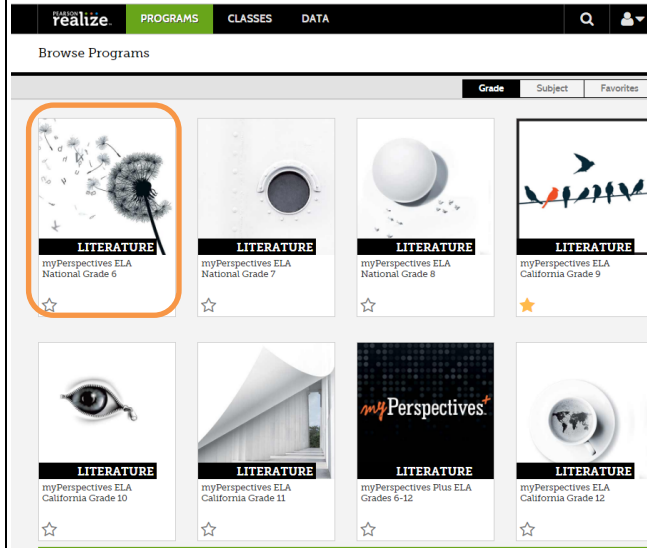

On the **Browse Programs** page, click a grade-level cover to continue the tour. You will see the following:

- Top navigation bar—Programs, Classes, Data
- Table of Contents—Getting Started with *my*Perspectives, Teacher's Edition, Student Edition, Unit Resources, Assessments, and links to *ELD Companion*
- Side navigation bar—Create Content, Rearrange, My Content, and Teacher Resources

NOTE: You can choose to view this information in Thumbnail or List view.

ENGLISH LANGUAGE ARTS

Components

Print Consumable Student Edition
• An interactive student edition that allows students to write directly in their text.
• Grades 6-8 is one-volume, Grades 9-12 is a two-volume set.
• Selection pages allow students to access unit opener videos, audio and media selections using Pearson's BouncePages app.
• Independent Learning selections are referenced in print, and are available online.

Interactive Student Edition
• Pearson's next generation interactive eText includes point of use interactive graphic organizers, selection audio, student modeling videos, multilingual glossary, footnotes, annotation tool, multimedia selections, and an inline notebook.
• Includes all selections in the print Student Edition as well as the Independent Learning selections.

Print Teacher's Edition
• Hardcover, single volume, all grades.
• Includes Student Edition pages with reference to digital assets at point of use and Personalize for Learning notes for differentiation.
• Lesson Resources planning page, Text Complexity Rubrics and Teaching & Learning Cycle loop.

Interactive Teacher's Edition
Pearson's next generation interactive Teacher's Edition eText includes all features and functionalities of interactive Student Edition eText PLUS additional teacher modeling videos, EL support lessons, EL highlighting notes, and downloadable resources at point of use.

Realize Digital Courseware
Pearson's cutting-edge learning management system that includes all digital resources to support *my*Perspectives. Teachers can create assignments, track student progress through data reporting, and access all customizable resources.

Unit & Selection Resources

Audio Summaries
• Assignable resource that includes English and Spanish text and audio summary of each selection.
• Also available at point of use in the interactive Teacher Edition eText.

Selection Resources
• Available to support each selection's Making Meaning, Language Development, and Effective Expression instruction.
• On-level and reteach/practice versions available for all learner levels.
• Referenced in the TE, assignable/printable/downloadable from Realize, and embedded at point-of-use in eT2 TE.

Unit Level Answer Key
Includes answers for:
• Selection worksheets
• Analyze the Text Questions
• Comprehension Check Questions

English Language Support Lesson
Additional instruction per selection for English Learners. These digital lessons are referenced at point of use in the print Teacher's Edition and embedded and downloadable within the interactive eText.

Home Connection Letters English & Spanish
One letter per unit that describes the unit topic and standards.

Assessments

Selection Tests
Selection Tests focus on standards and skills. Includes selected response items.

Beginning-of-Year Test
Diagnoses student readiness for grade-level skills and standards to be taught during the school year.

Mid-Year and End-of-Year Test
• Tests skills and standards taught halfway and at the end of the year.
• Mid-Year test includes remediation, and if taken online, remediation is assigned automatically.

Unit Test
• Includes Technology Enhanced Items, multi-part questions, selected response, and constructed response writing prompts.
• Includes remediation and if taken online, remediation is assigned automatically.

Next Generation Test Practice
• Program-agnostic test prep with technology enhanced items.
• Allows students to practice with question formats they will experience on next generation assessments.
