

EXPLORE

Learn the basics.
Plan and teach minilessons.

Goals

- Navigate the Teacher's Edition with ease
- Locate the *myView Literacy* digital resources
- Use planning resources as you prepare to teach
- Teach whole-group and small-group minilessons
- Assess your students

DIVE IN

Plan and teach a unit.
Navigate your resources with ease.

Goals

- Incorporate the digital resources into your daily routine
- Use formative assessment data to form small groups
- Help students learn to ask good questions and follow research plans
- Reflect on your teaching using the Teacher Self Check tool

ENHANCE

Be a power user.
Teach using all parts of the program.
Support your colleagues.

Goals

- Effectively use *myView Literacy* supporting resources, such as Leveled Readers and Extension Activities
- Assign and customize Pearson Realize™ content
- Use data to guide small-group instruction
- Model minilessons for colleagues
