Welcome Back to School!

Thank you for choosing Pearson as your curriculum and technology partner. To help you get the most out of your educational resources, Pearson provides assistance to get you started and throughout your program activation and implementation experience. These support resources are all included in the purchase of your program and can be accessed as frequently as needed.

Pearson Realize Messaging and Announcements Tool

This tool provides timely communication to you and your administrators on various program and platform updates. This announcements tool is found in the bottom-right corner of your home page. Click the blue bubble to access announcements, updates, highlights on new platform tools, feature enhancements, new training resources, and more.

Pearson Realize Online Help

Explore the Pearson Realize online Help tool for quick, step-by-step instructions on registering students, setting up classes and groups, assigning content, and more. To access Help, click the drop-down menu under your profile avatar and select Help.
my PearsonTraining offers flexible virtual program activation training options to meet your needs and schedule. My Pearson Training provides convenient access to a wide range of program and platform training solutions. It’s your one-stop training website for a complete program library of user guides, training materials, implementation ideas, and more.

**On-Demand Tutorials**
Concise program training on both curriculum and management system features. Start and stop at any point, and focus your training on the specific topics you need to know.

**Live Virtual Training**
Register for a comprehensive, personalized 120-minute webinar. Sessions cover everything you need to get started. Sessions allow for 1:1 training for you or training for your school or district.

**Guides and Training Resources**
Resources include user guides, training guides, implementation ideas, back-to-school tips, end-of-year procedures, and more.

**Chat/Email Support**
Have curriculum questions and need quick answers? Chat live with a Training Specialist.

**Transcript Tracking and Reporting**
Track webinars, tutorials, and assessments on your personalized transcript.

My Pearson Training also offers Virtual Program Activation for a few select programs. This self-paced activation experience is included with your purchase and is designed to sequentially walk you through the program and provide you with the critical program components you need to ensure success in the classroom on Day 1.

**Getting Started & Virtual Program Activation**

My Pearson Training helps you get the most out of the Pearson Realize learning platform. You have access to tutorials, support handouts, and guides that provide walkthrough instructions on how to set up classes, assign curriculum, and access student data. View the [Getting Started with Realize](#) tutorial or sign up for a [webinar](#) to learn more.

---

**Customer and Technical Support**

[Pearson K12 Curriculum and Assessment Support](#) is a self-help resource that includes access to Customer Service and Technical Support, as well as step-by-step instructions and how-to articles to help you answer technical, customer service, order, and invoice issues.
