

Pearson

my Pearson Training

Your Training
Your Schedule

My Pearson Training brings together comprehensive training materials and provides access to thousands of innovative and effective live and on-demand resources. With flexible delivery options to meet your needs and your schedule, this service provides you with timely and convenient access to a wide range of program and platform training solutions.

Based on your program and platform specific training offerings, you may have access to the following:

Chat and Email Support

Our support options easily connect you with a Training Specialist to answer questions quickly about your program or implementation.

Live Virtual Training

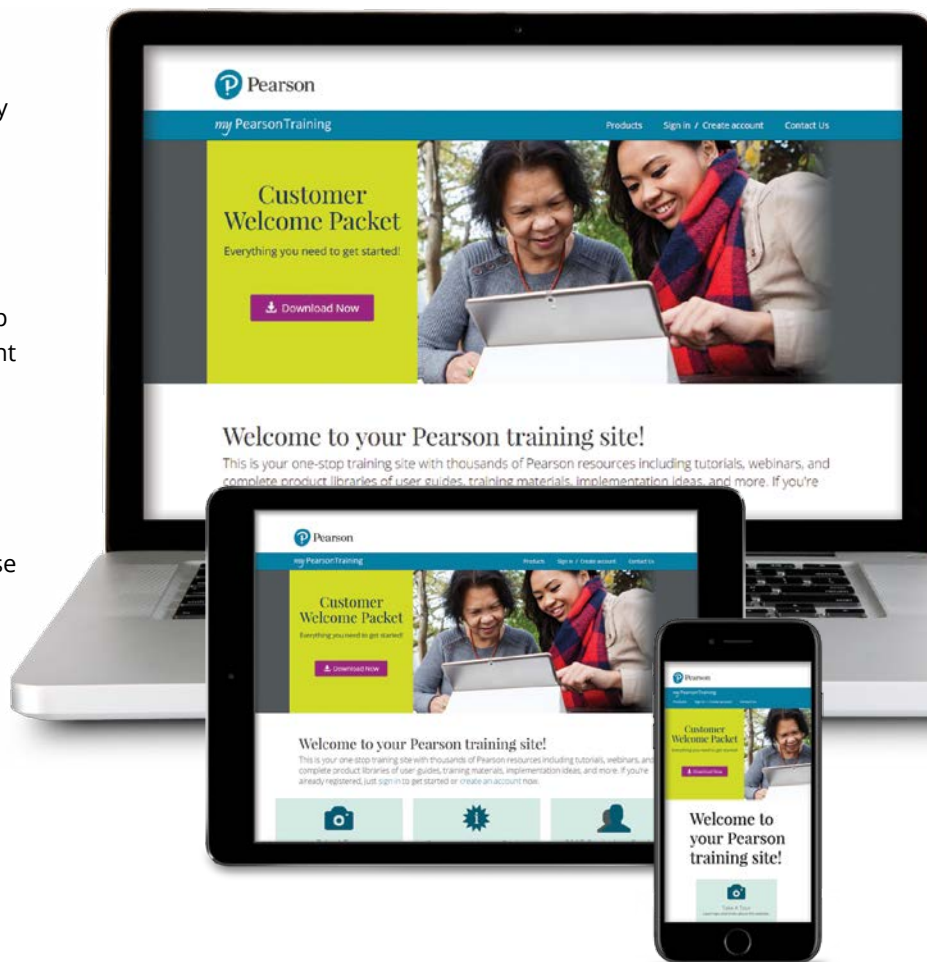

These live sessions provide Program Activation training or deeper Professional Development. Sign up for a one-to-one session or with a group at a time that works for you! Take an assessment to track training on a personalized transcript.

On-Demand Tutorials and Guides

These online resources offer concise program training at your convenience. You can use them to supplement on-site and virtual training, or use them on their own to get you started or enrich your program and platform understanding.

Take advantage of our online training library, flexible delivery options, and convenient access to a wide range of product solutions today.

Register today to take advantage of these options and be sure to complete your profile to access your personal training transcript!

THE RESULTS ARE IN...

Usability testing with a sample of K-8 teachers, across 14 states, showed that Pearson's on-demand tutorials—even when used alone—effectively prepare users to be successful in completing system tasks.
